MOBILLOITTE MOU

MPGI signed an MOU with Mobiloitte Technologies Pvt Ltd to inaugurate their Indic Chain Center of Excellence. The event was attended by the joint secretary of the institution along with other Directors and HODs.

With this MOU, MPGI is poised to bring the latest and most in-demand technologies of Industry 4.0 to our students. This means that our students will get hands-on experience with cutting-edge technologies like blockchain, metaverse, AI/ML, and IoT.

We are thrilled about this collaboration and are excited about the opportunities it will bring to our students. Stay tuned for more updates on how MPGI is leading the way in providing a world-class education that prepares students for the future of work.

IBM COLLABORATION

MPGI collaborates with IBM to provide Excellence in education and the required Competitive edge to Pratapians!

IBM Career Education collaborates with MPGI and has launched specialization tracks under Engineering degree courses -

Artificial Intelligence & Machine Learning		Data Science
IoT	Big Data & Analytics	Cloud Computing
Cybersecurity		Full stack Development

Data Science & Artificial Intelligence
B Tech I year
C
Python
Java
Minor Project I

B Tech II & III year
Data Visualization
Analysis & Data
Preparation Jupyter Notebooks & Python
Artificial Intelligence
Foundation NLP and NLC
Bot creation Computer
Vision Tensor Flow for Deep
Learning Convolutional
Recurrent Neural
Networks RNN
Intelligence App Development
Minor Project II, Major Project

B Tech IV year
Self paced online certification

*Data Science to be taught in Second year & Artificial Intelligence in Third year

Internet Of Things application/Cloud developer & Network Engineer
B Tech I year
C
Python
Java
Minor Project I

B Tech II & III year
Fundamentals of cloud computing
Launching virtual server & creating storage service
Creating a platform as service
Server building & Networking node js, REST architecture, json, cloud Foundry & Devops
Kubernetes building blocks
Introduction to IOT
Global Landscape IoT
Application building using Node JS
IoT Solution & case study
Minor Project II, Major Project

B Tech IV year
Self paced online certification

*Cloud Computing in second year & IOT in third year

Cyber Security Analyst/Security Analyst & Network Engineer
B Tech I year
C
Python
Java
Minor Project I

B Tech II & III year
security in cloud model
Enterprise Cloud management
Cloud Data life cycle
Audit mechanism & App security
Data Management Data security
Cyber resilience framework
Identifying cyber attack
Network security Mobile and IoT solutions
Monitoring global security
Minor Project II, Major Project

B Tech IV year
Self paced online certification

*Cyber Security to be taught in Second year & Security Intelligence in Third year

MOU WITH IBM

MPGI is elated to announce its collaboration by signing an MOU with IBM, India. This industrial collaboration will help our students deal with the rapid technological change which comes with the VUCA world. IBM has proven its mettle in the area of Innovations, technology and its training, battling numerous changes in technology since 1911.

We at MPGI, don't think we can find a more competent and suited training mentor than IBM. We have collaborated for Btech students in the areas of Artificial Intelligence, Machine Learning, Big Data and Data Analytics, Data Science, Blockchain, Internet Of Things, Cyber Security and Full stack Developer.

With this INDUSTRY 4.0 collaboration, numerous opportunities come as a part of the programme apart from certification courses which includes IBM hackathons, IBM Day, IBM Visits, IBM fdp etc.

IIT MOU

An MOU was signed between Start-up Innovation & Incubation Centre, ("SIIC"), IIT Kanpur and Maharana Pratap Group of Institutions (MPGI), Mandhana, Kanpur today at IIT Kanpur.

Both the Parties wish to form a collaborative partnership to establish an incubation centre at MPGI for promoting research and development in various fields where the students and teachers of MPGI as well as others could develop some constructive ideas into prototypes and establish start-ups.

Additionally, it will help faculties and students of MPGI to be trained to handle the sophisticated instruments available at SIIC to enhance their skills. MPGI expects the initial assistance and guidance from SIIC, IIT Kanpur to develop a state of the art incubation centre at MPGI campus, dedicated towards research and development which will later help the alumni and current students and faculties as well as outsiders to translate their research ideas into successful start-ups.

HR CONCLAVE

We had an incredible time at the HR Conclave 2023 organized by the Department of Training and Placement at MPGI on 20th May 2023! The event was a resounding success bringing together 10 eminent HR domain experts for the panel discussions.

The first-panel discussion, "Reinventing HR in the Digital World," was thought-provoking. The experts shed light on the challenges and opportunities that arise with the integration of technology in HR practices.

The second-panel discussion, "Campus to Corporate for Digital India: Changes, Expectations, and Challenges in Campus Hiring," provided valuable insights for bridging the gap between academia and industry.

Our keynote speaker was Ramit Tyagi, Director of Talent Acquisition at UKG.

Our esteemed Panel was:

Amit Pandey, CEO at Pincap

Atish Bhattacharya, Head of HR and Administration at Okaya & Mtek

Rk Sharma, AVP at JBM Group

Rajneesh Tomar, Head of HR at Bikano Group

Gurpreet Singh, Senior Manager HR at Sopra Steria

Abhishek Srivastava, Regional HR Head at TCS

Amit Sethi, Founder, and Director at Raft and Technoraft Consulting Services Ltd

Kushagra Kacker, Associate Director and Project Management at LT Mindtree

Payal Arora, AGM of Talent Acquisition at Jindal Steel and Power

We extend our heartfelt gratitude for all the experts, keynote speakers, attendees, and the organizing team for their valuable contributions and for making HR Conclave 2023 a resounding success!

ALUMNI TESTIMONIALS

Shruti Omer - B.Tech CSE, 2022, Software Engineer-III, Microsoft

I am extremely grateful to MPGI for playing a significant role in helping me secure my dream job. The college provided me with excellent education and guidance throughout my academic journey, which helped me develop the necessary skills and knowledge required for the job. Overall, I attribute my success in getting my dream job to the education and support provided by MPGI.

Prateek Dhawan - B.tech ME-2005, Manager- Dealer Development, ISUZU MOTORS

Dreams do not become reality through magic, it takes sweat, determination and hardwork." Almost every student joins an engineering college with a goal of getting placed in their dream companies. But when we talk about MPGI, it provides an atmosphere with its state of art infrastructure ,training programs and numerous placement opportunities by College, which helps a student to grow and enhance their skill set, bridging the gap between their dream and reality. Lastly, I would like to say that I firmly believe that all of us have the potential to achieve and do great things in life, all we have to do is dream big and believe in ourselves.

Vaibhav Maheshwari - B.Tech EI, 2008, Assistant Vice President, Barcalays

MPGI is true to what it claims when it comes to a student-centric approach. The placement team helped me a lot during the placement drive. The teachers were helpful and responded to me all my queries. I am grateful for my experience here.

Shubham Mishra - Global Citizen, B.Tech CSE-2010, Associate Consultant, TCS

"Self belief and hard work will always earn you success" Having said that, I would like to share my journey with you. Placement preparations are not easy, and there may be a point when you do not have any clue what to do next and where to start from. Surrounding yourself with quality people and working on yourself will never let you down. I would really like to thank the CR team for providing me with great opportunities and the training team which really prepared me for the competition out there. Lastly, I would say that working on your mistakes is the best way to learn.

Vishwamitra - B.Tech ME- 2010, Assistant Director of Airworthines at Directorate General of Civil Aviation

I got great support from the placement team. My experience at MPGI has been amazing and memorable. The mentors helped me enhance my academic and interpersonal skills. I am thankful to the training and placement cell for providing a platform to upscale my skills and an opportunity to showcase them.

Deepak Tripathi - MBA-2012, Asst Manager- IBM

I would like to thank MPGI for the incredible help and support throughout my application. Not only do they offer a large variety of placements, but also help select a suitable company. The company where I got placed is great and I am happy that I was able to take up this opportunity.

Abhinav Bhadauria - Global Citizen- B.tech CSE 2009- Sr. Manager- Product Manager-WALMART

Being a Pratapian has been a blessing for me because of the pleasant study environment, helpful professors, and wonderful resources. This college has provided me with numerous opportunities to grow and enhance my skills. My major's curriculum is well-structured, and it provided me with hands-on experience in the field I wish to enter. I also participated in a number of workshops and practical sessions that taught me how to present my skills during interviews. I'll be eternally grateful for the invaluable career development advice I received during my time here.

Karan Kumar Arora - B.Tech CSE-2015 Head Of Business Operations - MYGATE

I would like to express my gratitude towards the entire college team. They provided us with the right guidance and the right direction to work on. The faculty , training team and CR team was always ready to help, I still remember the words of the management team: ""Focus on your skills, rest all will be taken care of by the college"". They also provided us with the right environment and friends which competed with each other in a healthy fashion to enhance the skill set of the entire group. I would like to attribute my success to the entire MPGI culture.

Avinash Pratap Singh - B.Tech CSE, 2014, Operations Manager- Amazon

I had the pleasure of attending MPGI and I can honestly say that it was one of the best experiences of my life. The professors were knowledgeable and passionate about their subjects and they provided a great learning environment. The campus was beautiful and the facilities were top-notch. I also enjoyed the social atmosphere with plenty of clubs and activities to get involved in. Overall, MPGI gave me an amazing college experience that I will never forget.
