**DREAM
GROW
LEAD**

If you can dream it,
you can do it

Let us support you to transform
your dreams into reality

Ensure the pioneer in
you is unleashed

7 POINTS OF EDUCATIONAL PHILOSOPHY

1 ACADEMICS
Sharp focus on Industry-oriented content application

2 INFRASTRUCTURE
Providing global standards in academia and campus amenities

3 TRAINING
Multinational industrial alliances for staying abreast professionally

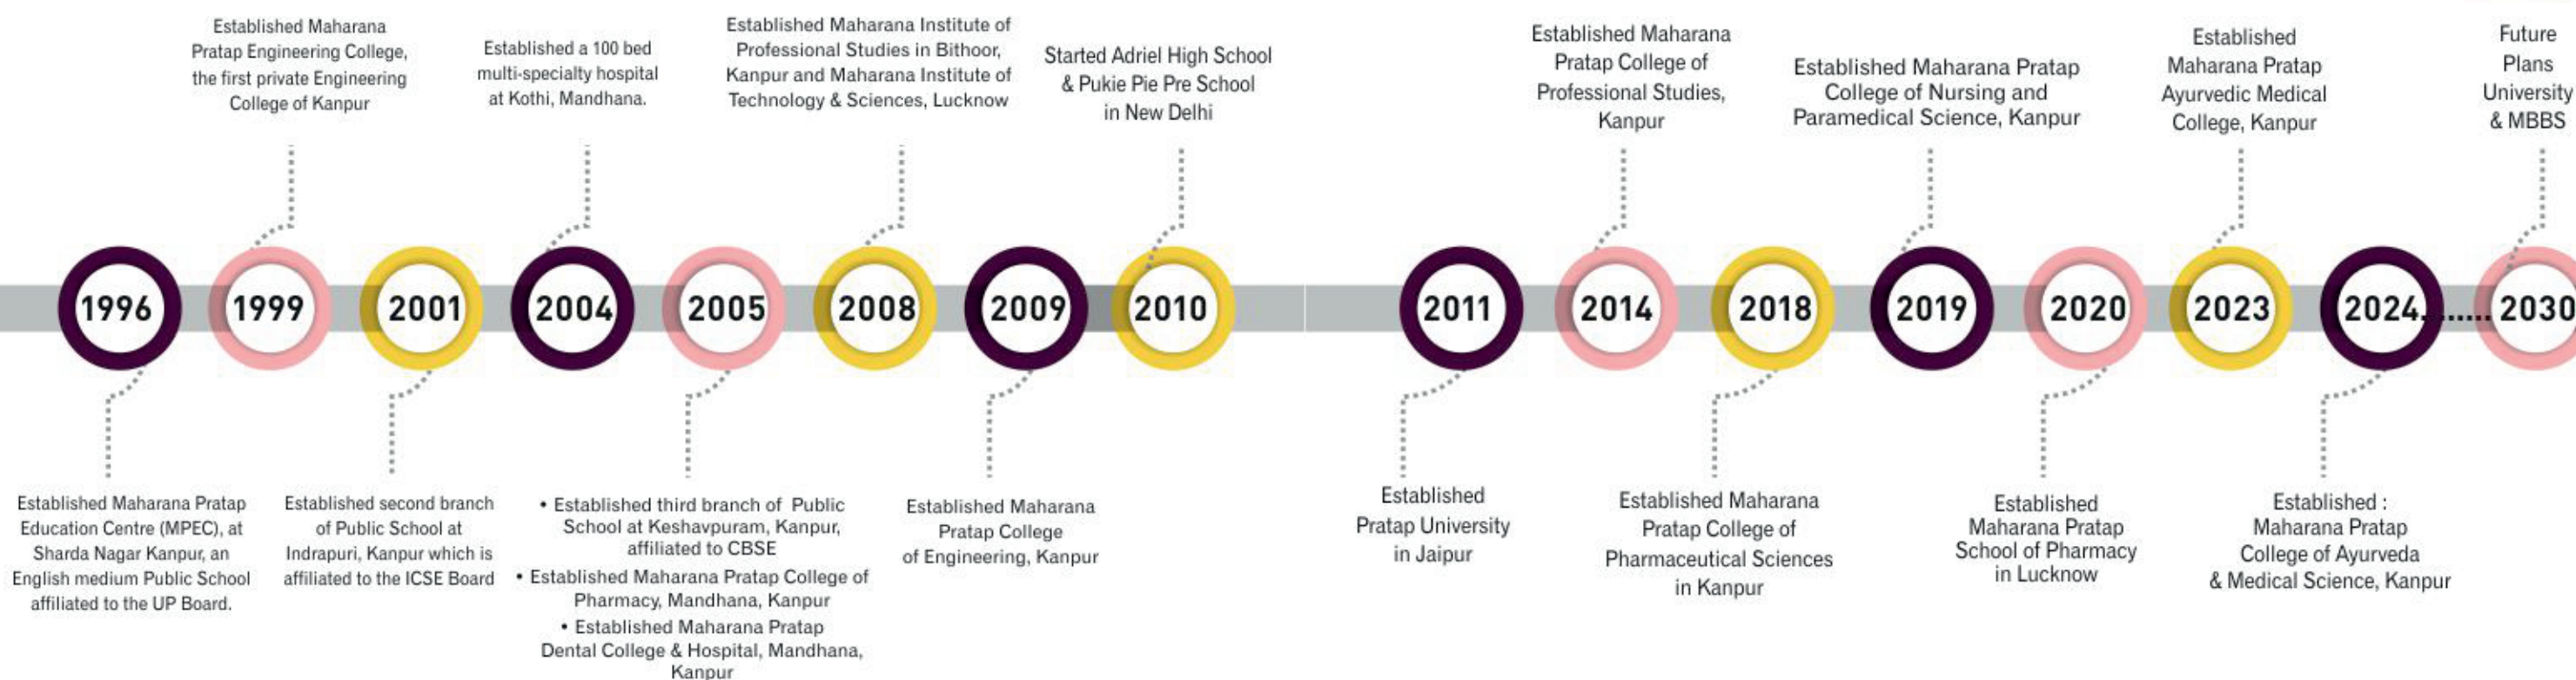

4 PLACEMENTS
Attentiveness to providing a career path, not merely a job

5 GLOBAL EXPOSURE
MoU with International Universities in various countries to incorporate global perspectives

6 STUDENT SERVICES
Holistic development is the key, ensuring physical, emotional and psychological well-being of students

7 CAMPUS LIFE
Warranting balanced environs to the diverse student community

ENGINEERING DEPARTMENT

The Department of Engineering at Maharana Pratap Engineering College, Kanpur, stands as a cornerstone of academic excellence, dedicated to nurturing technically proficient and socially responsible engineers. The department offers a vibrant learning environment that integrates theoretical knowledge with practical application, preparing students to meet the evolving demands of the global engineering landscape.

The department offers undergraduate programs in B.Tech in Electrical Engineering (EE), Electronics and Communication Engineering (EC), and Computer Science Engineering (CSE). These programs are designed to blend theoretical knowledge with practical application through well-equipped laboratories, experienced faculty, and a dynamic learning environment. The Computer Science Engineering (CSE) domain at MPEC is particularly diverse and future-oriented, offering specialized branches to meet the evolving demands of the technology-driven world. These include: Computer Science and Engineering (CSE), Data Science, Artificial Intelligence and Machine Learning (AI & ML), Artificial Intelligence (AI), Computer Science (CS) and Internet of Things (IoT).

Equipped with modern laboratories, advanced computing facilities, and well-maintained workshops, the department ensures hands-on learning and experiential education. The curriculum is structured in line with contemporary industry requirements and follows an outcome-based education (OBE) framework to enhance problem-solving abilities, critical thinking, and professional competence among students.

The department is supported by a team of qualified and dedicated faculty members who bring a blend of academic expertise and practical experience. They actively engage students through interactive teaching methods, research guidance, and mentorship, fostering a culture of inquiry and innovation.

In addition to academics, the department promotes participation in technical competitions, seminars, industrial visits, and skill development programs. Strong industry interaction and training initiatives help bridge the gap between academia and real-world applications, enhancing students' employability and readiness for professional challenges.

With a focus on excellence, innovation, and ethical practices, the Department of Engineering at MPEC continues to contribute significantly to the development of skilled engineers who can lead and innovate in diverse fields.

ABOUT THE GROUP

Since its inception in the year 1995 with just one school, Maharana Pratap Group of Institutions (MPGI), has diversified and widened its horizons to schools, colleges, hospital and university. We have been providing excellence in education by offering various courses in the diverse streams of Engineering, Management, Computer Applications, Dental, Pharmacy, Information Technology, Nursing, Paramedical Sciences, Ayurvedic Science & Law*.

Our campuses, extending over several hundred acres of lush green surroundings, possess modern infrastructure, well-equipped laboratories and enviable libraries. We work as a committed and inspired team of highly qualified faculty providing vision and academic insights to students. Our conscious intent is to ensure each student has an array of opportunities to showcase his/her talents for the best job prospects through excellent campus placement drives.

- Civil Engineering

Welcome to Maharana Pratap Engineering College, Kanpur—where your journey toward knowledge, growth, and success begins. With a steadfast commitment to academic excellence, innovation, and holistic development, we nurture young minds into skilled, confident, and responsible professionals ready to contribute to society and meet global challenges.

Our academic framework is driven by Outcome-Based Education (OBE), integrating strong theoretical foundations with practical exposure through laboratories, projects, internships, and industry interaction. This ensures the development of critical thinking, problem-solving abilities, and industry-relevant competencies grounded in ethics and values.

We foster a culture of collaboration and continuous improvement through active stakeholder engagement, innovation-driven practices, and experiential learning opportunities aligned with evolving professional demands.

Beyond academics, we are committed to sustainability and social responsibility, promoting green practices and environmental consciousness across our campus.

Dear students, believe in your potential. Stay curious, work hard, and seize every opportunity—because the future you aspire to create begins here.

At Maharana Pratap Group of Engineering Colleges, we are dedicated to shaping leaders with knowledge, integrity, and purpose. I invite you to be a part of this journey of excellence and transformation.

DIRECTOR'S MESSAGE

MR. S. K. BHALLA

Director, MPEC

CORPORATE TALK BY MR. GOKUL (SERVICE NOW)

28th August 2025

Maharana Pratap Engineering College inaugurated its Induction Programme for the newly admitted B.Tech. First-Year Students with an inspiring Academic Orientation session on its first day. The program organized by the Department of Basic Sciences & Humanities served as a gateway to introduce students to the academic structure, teaching methodologies, and campus culture that will shape their engineering journey.

With motivating addresses from our Director Academics, Dean- Technical Training and Heads of Departments, students gained valuable insights into the learning ecosystem, academic support mechanisms, and opportunities for holistic development. The second session of the day featured a talk by Mr. Gokulakannan Narasimhan, Sr Manager, Global Emerging Talent, Service Now, on 'Campus to Corporate' in which he shared his experiences & inspired the students.

CORPORATE TALK BY MR. JOSHUA DAVID, (MPHASIS)

29th August 2025

MPGI Maharana Pratap Group of Institutions recently embarked on an exciting journey for its B.Tech students with a thought-provoking orientation program!

Our esteemed guest speaker, Mr. Joshua David Sir, India Campus Head at Mphasis, shared invaluable insights on the industry's evolving landscape, emphasizing the importance of innovation, adaptability, and continuous learning.

Key Takeaways:

1. Industry : Embracing cutting-edge technologies to drive growth and innovation.
2. Skill Development: Fostering a culture of continuous learning and skill enhancement.
3. Collaboration: Building strong industry-academia partnerships to drive progress.

As our students embark on this academic journey, we're confident they'll become the future leaders and innovators in their respective fields!

SOFT SKILLS TRAINING BY MS. MEHA SHARMA (WITHUMI)

29th August 2025

The third day of the Induction Programme we had Ms. Meha Sharma, Advisor – Coaching & Talent Development, Withum, who emphasized the crucial role of soft skills, communication, confidence, and teamwork in shaping successful engineers.

The same day exciting Talent Hunt Competition was organized providing the newly admitted students a platform to showcase their creativity and hidden skills. It witnessed enthusiastic participation, with students displaying talents ranging from singing, dancing and poetry to other artistic expressions.

YOGA / ZUMBA

29th August 2025

An inspiring Yoga and Zumba session was conducted by Ms. Jyoti, Product Engineer at Informatica and an alumnus of the 2018 batch.

Ms. Jyoti shared her journey from being a student to becoming a successful professional in the IT industry. Second half of the day featured an engaging session with two distinguished professionals who shared their insights on Science & Spirituality with the budding engineers.

TALK BY
MR. GURPREET SINGH

**SR. MANAGER, TALENT ACQUISITION,
SOPRA STERIA**

30th August 2025

TALK BY
MR. HARSH RAJ JAIN
**AMERICA & INDIA
CAMPUS LEAD EBIX**

30th August 2025

The Induction Program featured an inspiring talk by Mr. Harsh Raj Jain, America & India Campus Lead, Ebix, who addressed the students by emphasizing the importance of skill development, innovation, and adaptability in the rapidly evolving technology sector.

Students in MPGI interact with the best in the Industry as it helps them align their efforts during their college times. It also makes them realise the gap between academia and the Industry so they can perform better when they leave from the College

ALUMNI INTERACTION BY **MS JYOTI** SDE, INFORMATICA

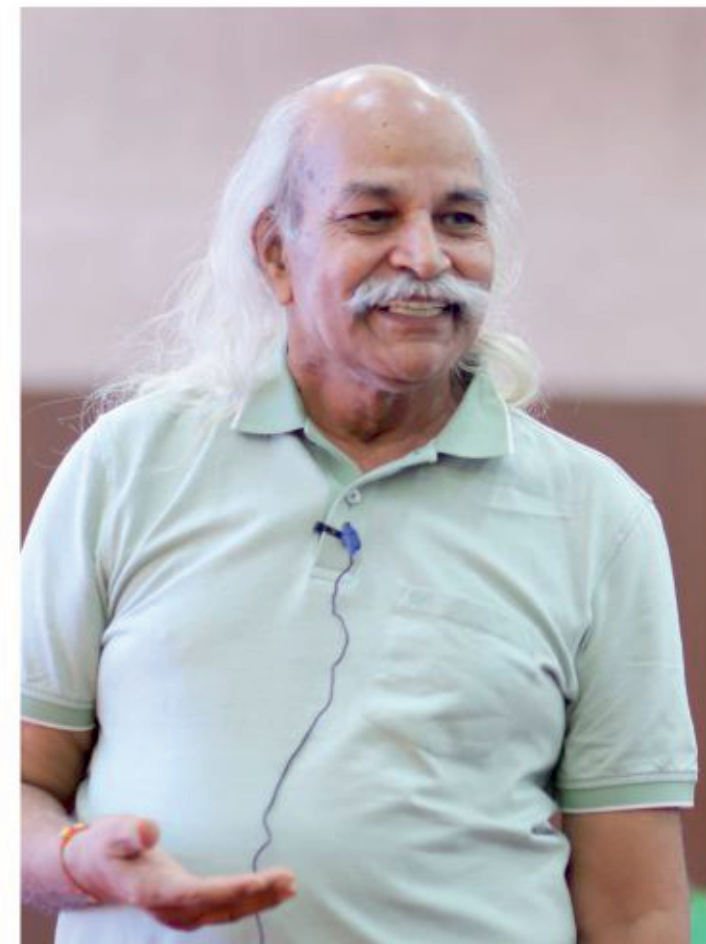

Students had an inspiring interaction with Ms. Jyoti, Product Engineer at Informatica and an alumnus of the 2018 batch. Ms. Jyoti shared her journey from being a student to becoming a successful professional in the IT industry.

She emphasized the importance of training and various efforts which the faculty takes to prepare a student to perform their best in the Corporate World. She respectfully met up with the faculty she knew as a student and went back with pleasant memories.

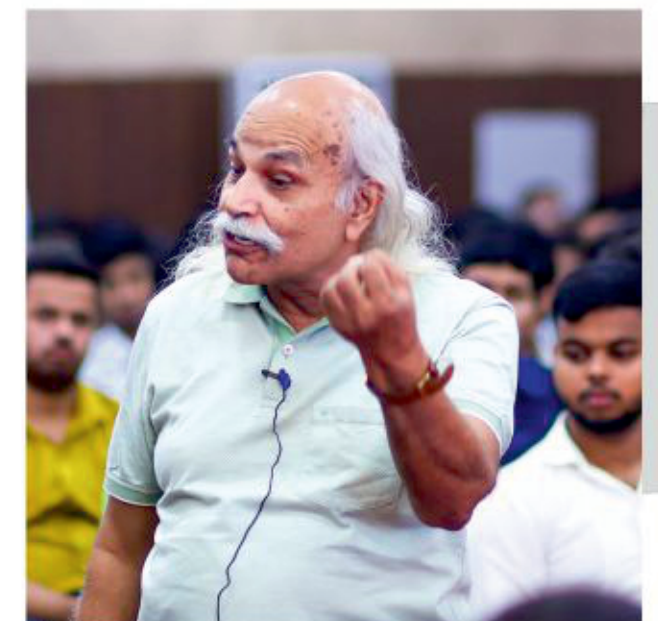

ADDRESS BY **PROF. H.C. VERMA** EX-PROF IIT, KANPUR PADMA SHRI AWARDEE

The institute had the privilege of hosting Prof. H.C. Verma, Padma Shri awardee, renowned physicist, educationist, and author of the acclaimed book Concepts of Physics. Prof. Verma inspired the students with his thought-provoking talk on the beauty of science, the joy of learning, and the role of curiosity in driving innovation.

Through anecdotes and experiences, he motivated students to pursue engineering not merely as a degree but as a journey of exploration and contribution to society. The session was truly enriching and left a lasting impression on the young minds, marking a memorable highlight of the induction programme.

INDUSTRIAL VISIT

LOHIA CORP. LTD. KANPUR

The Department of Basic Sciences & Humanities, Maharana Pratap Engineering College organised an Industrial Visit to "Lohia Corp. Limited, Kanpur" for their first year engineering students.

The visit gave them a wonderful opportunity to witness cutting-edge manufacturing processes, automation, and industrial operations bringing classroom concepts to life.

A big thank you to the Lohia Corp. team for their warm welcome and valuable guidance throughout the visit. It was truly a day of learning, curiosity, and inspiration for our budding engineers.

HACKATHON 2026

A TECH EVENT
WITH INNOVATION

ANKUR WARIKOO @ MPGI

Orientation Day

Inspiring Words from Ankur Warikoo's Talk!

We were thrilled to host Ankur Warikoo Sir, renowned entrepreneur, bestselling author, and online educator, for an engaging session on 3rd September for Orientation Day Finale.

His session left us motivated and inspired. His thoughts on leadership, entrepreneurship, and personal growth resonated deeply with our audience.

Key Takeaways:

- Embracing Challenges: Ankur Warikoo emphasized the importance of taking calculated risks and embracing challenges to achieve success.
- Leadership in a Rapidly Changing Landscape : He shared valuable insights on how to thrive in a world where hybrid work, digital transformation, and human connection converge.
- Personal Growth : His session highlighted the significance of self-awareness, resilience, and continuous learning in achieving personal and professional growth.

SONU SHARMA @ MPGI

Orientation Day

We were deeply honored to host the esteemed Sonu Sharma, a renowned motivational speaker and business coach, for a session that left an indelible mark on our audience on 4th Sep for Orientation Day Finale. His profound insights on leadership, entrepreneurship, and personal growth resonated deeply with everyone present, inspiring them to strive for excellence.

Key Takeaways:

- Thoughtful Action and Execution of Knowledge: He eloquently emphasized the importance of thoughtful responses over impulsive reactions, paving the way for success.
- Unleashing Potential: He inspired the youth to harness their boundless potential, leveraging technology to drive innovation and growth.
- Collaborative Leadership: Sonu Sir highlighted the significance of effective leadership, teamwork, and communication in achieving greatness.
- Success Formula: Potential + Process = Greatness. He shared valuable insights on the importance of dedication, hard work, and strategic thinking in achieving one's goals.

COL. KAUSHAL KASHYAP @ MPGI

Orientation Day

Empowering Minds: Col Kaushal Kashyap Sir's Insightful Orientation Talk

We were honored to have Col Kaushal Kashyap Sir share his valuable insights and experiences with our students during his recent orientation talk. His session was a perfect blend of motivation, inspiration, and practical advice, leaving a lasting impact on our audience.

Key Takeaways:

- The importance of setting goals and working towards them with dedication and perseverance.
- Strategies for overcoming obstacles and staying focused on one's objectives.
- The value of leadership, teamwork, and effective communication in achieving success.

A Big Thank You:

We would like to extend our heartfelt gratitude to Col Kaushal Kashyap Sir for taking the time to share his expertise and wisdom with us. Your presence and insights were truly appreciated, and we are grateful for the opportunity to have learned from you.

POWER TALK WITH GAURAV TANEJA

The Beast mode was on in MPGI Campus!

Power Talks is launched with the very first guest as Mr Gaurav Taneja. Power Talks is a series of Talks in which we invite people who inspire the Youth with their stories. If grit and perseverance.

Mr Gaurav Taneja was in Campus and he spoke of his incredible journey from IIT to YouTube. He interacted with students and even awarded 3 Pratapians who are fitness influencers!

Until next time...Power Talks signing off!

TEDx @ MPGI

Maharana Pratap Engineering College hosted TedX Talks at Mandhana Campus on 14th March 2026. We had an extraordinary lineup of 15 distinguished speakers hailing from diverse industries-education, tech, entrepreneurship, and beyond. Under the powerful theme "Leadership in the Age of Disruption," these visionaries shared riveting insights on navigating chaos and steering through unprecedented challenges.

BRILLIANT INDUSTRY INTEGRATION

IIT KANPUR

Electronics and ICT Academy, IIT Kanpur and Maharana Pratap Engineering College (MPEC) have signed an MOU on 18th June 2019 at IIT Kanpur premises. The MoU was signed by Dr S Ganesh, Dean, R & D, IIT Kanpur and Mr Gaurav Bhadouria, Joint Secretary, Maharana Pratap Group of Institutions.

IIT KANPUR

MOU signed between Start-up Innovation & Incubation Centre, ("SIIC"), IIT Kanpur and MPGI for collaborative partnership to establish an incubation centre at MPGI for promoting research and development.

IIT MADRAS

This collaboration marks a significant achievement for MPEC Kanpur, strengthening our role in advancing industry-aligned, employability-driven digital learning. By partnering with IIT Madras and SWAYAM Plus

INTERNATIONAL CONFERENCE 2026

OUR GLOBAL OUTREACH

University Name: Lodz Technical University • Location: Lodz, Poland, Europe

Team MPGI visited TUL at Lodz to discuss the collaborations in the area of Paramedical, Dental Studies and Pharmaceutical Sciences. Mr Gaurav Bhadauria, Joint Secretary MPGI, visited all the departments and met the deans of various verticals for the meeting of minds and collaborate in various areas.

University Name: Lithuanian University of Health Sciences • Location: Kaunas, Lithuania, Europe

In a recent endeavor, the MPGI team embarked on a journey to the Lithuanian University of Health Sciences to foster a collaborative partnership. Led by Joint Secretary Mr. Gaurav Bhadauria, accompanied by Dr. Vikram Kumar Sahu, Principal of MPCP, and Ms. Gauri Bhatnagar, the delegation engaged in fruitful discussions with their counterparts. The outcome of this visit was the signing of a Memorandum of Understanding (MOU) between the two esteemed institutions. This MOU encompasses various areas of collaboration, including student and faculty exchange programs, as well as joint research ventures.

University name: Centria University • Location: Kokkola, Finland, Europe

Mr Gaurav Bhadauria, Joint Secretary MPGI went with Dr Vikram Sahu and Ms Gauri Bhatnagar to Centria University Kokkola to meet the senior leadership team at the University. We are in talks to be the education partners for Centria University in various verticals as Engineering, Management and Nursing.

University name: University of Helsinki • Location: Helsinki, Finland, Europe

It was an honor to meet the dean of Pharmacy vertical at University of Helsinki to discuss various collaborative efforts that can be taken between the two institutions for various knowledge exchange initiatives.
