PLACEMENT REPORT 2026

**MAHARANA PRATAP
GROUP OF INSTITUTIONS**

Kothi, Mandhana, Kanpur

FINDING THE SUCCESS PATH FOR YOU

YOUR PLACEMENT..OUR ACHIEVEMENT

DREAM

GROW

LEAD

GLIMPSES

Placement Day 2026 was celebrated on 2nd May with extreme zeal and truck-loads of happiness!

Felicitations were held for our brilliant Pratapians with impressive packages as 46 LPA at Palo Alto, 35 LPA at Razorpay and so many others who have been successfully placed at HCL, Sopra Steria, Coforge, Mankind and many more.

The day was a sparkling celebration of struggles, hardwork, sweat and toil of our students. It was also a hat tip to our faculty and TnP team for their hardwork and diligent working with our students. All in all - a day to remember and a day which started and ended perfectly!

PLACEMENT

DAY 2026

DIRECTOR'S MESSAGE

I extend my heartfelt congratulations to all the final-year students who have made both the institution and their families proud through their outstanding performance in various placement drives conducted by leading MNCs. Your achievements are a testament to your dedication, perseverance, and excellence.

There is no greater satisfaction than witnessing our students carve a niche for themselves and embark on a journey toward success and distinction. I am confident that you will continue to set higher benchmarks and excel in the organizations you are about to join.

Your accomplishments will not only shape your own careers but also inspire your juniors, opening new avenues of opportunity and setting a strong example for them to follow.

Congratulations once again, and I wish you continued success in all your future endeavors.

Dr. S. K. BHALLA

Director, MPEC

DIRECTOR'S MESSAGE

It gives me immense pleasure to present our Placement Brochure, a reflection of our institution's commitment to excellence, innovation, and holistic development. At our institute, we strive to nurture not just skilled professionals, but also responsible individuals equipped to thrive in a dynamic and competitive global environment.

Our academic framework is designed to blend theoretical knowledge with practical application, encouraging students to think critically, act ethically, and adapt continuously. Through a combination of rigorous coursework, industry interaction, and experiential learning, we ensure that our graduates are well-prepared to meet the evolving demands of the professional world.

We take pride in our students, whose dedication, perseverance, and talent have consistently translated into outstanding achievements across diverse sectors. Their success is a testament to the collaborative efforts of our faculty, industry partners, and the institution as a whole.

As we continue to strengthen our industry links, we invite esteemed organizations to engage with us and explore the vast potential our students bring. We are confident that they will add value to your organization with their knowledge, integrity, and enthusiasm.

I extend my sincere gratitude to all our recruiters for their continued trust and support. We look forward to building enduring partnerships and achieving new milestones together.

Dr. SHIVANI KAPOOR

Director, Management
& Computer Applications

PLACEMENT OVERVIEW

MESSAGE FROM HEAD TNP

MS. NANDINI SAWHNEY
Head - Training & Placement

Dear Students, Faculty, and Esteemed Stakeholders,
It is with great pride that I present the placement achievements of MPGI Kanpur for the academic year 2025-26 — a year defined by resilience, adaptability, and excellence in a rapidly evolving global job market. Our students secured a highest package of 46 LPA at Palo Alto Networks, closely followed by an outstanding 35 LPA offer from Razorpay. Multiple students achieved key milestones — 5 above 20 LPA, 10 above 15 LPA, and 41 above 10 LPA. A total of 99 students received offers above 8 LPA, while 434 Pratapians secured packages of 5 LPA and above, with an average package of 5.5 LPA. Notably, 20% of students earned multiple offers, supported by opportunities from 300+ companies. Our strongest recruitment partnerships were led by TCS, Coforge, and HCL Technologies, reflecting sustained industry trust in MPGI talent. This was further complemented by hiring from

organizations such as VVDN, Labsity, D-Mart, and HashedIn by Deloitte, among others — showcasing a diverse and robust placement ecosystem. Students also earned opportunities with leading global and product-driven companies including Amazon, CRED, ServiceNow, Palo Alto Networks, Razorpay, Autodesk, Juspay, and IBM — reinforcing our growing presence in the global technology landscape. In a year marked by rapid AI-driven transformation, MPGI students distinguished themselves through not just technical skills, but also critical thinking, adaptability, and the ability to work alongside emerging technologies. Our continued focus on holistic development ensures our graduates are not only job-ready, but future-ready. As we move forward, we remain committed to building professionals who can lead with integrity, adapt to change, and create a lasting impact.

Prepared with Precision, Placed with Excellence

I am Shruti Sachan, a B.Tech graduate from MPGI, and my journey here has been a true reflection of hard work, determination, and growth. Every milestone I have achieved is the result of consistent efforts, supported by the strong foundation provided by the college. MPGI gave me the right platform to challenge myself and strive for excellence. The motivating academic environment and constant encouragement from faculty members pushed me to go beyond my limits and stay focused on my goals. I feel proud to share that I have been placed at Palo Alto Networks with a package of 46 LPA. This achievement would not have been possible without the continuous support of the Training and Placement Department. Their dedicated training sessions, mentorship, and belief in my abilities played a crucial role in turning my efforts into success. I am truly grateful to MPGI for standing by me throughout my journey and helping me build the confidence to achieve my dreams.

“Why Settle for Average”

When I enrolled at MPGI, I expected quality education — but the growth, exposure, and transformation I experienced went far beyond expectations.

Through structured training and hands-on practice, I worked with FastAPI for backend development, integrated PostgreSQL databases, and learned how scalable systems are designed, built, and tested in industry environments.

Alongside this, regular mock interviews, technical assessments, and continuous mentorship helped me bridge the gap between academic learning and corporate expectations. I am truly grateful to have secured a placement at Palo Alto Networks with a package of 46 Lacs Per Annum (LPA)

Transformed by Training, Empowered for Industry

I am Andri Kashyap, a proud BBA graduate from MPGI. My journey at the college has been truly enriching, helped me develop strong business acumen, communication skills, and a professional mindset. MPGI provided me with an excellent learning environment where I could enhance my managerial abilities, leadership qualities, and decision-making skills. The practical exposure, presentations, and interactive sessions played a crucial role in shaping my confidence and preparing me for real-world business challenges. The faculty members were always supportive and guided me in building both academic knowledge and industry-relevant skills. I would like to express my sincere gratitude to the Training and Placement Department for their continuous support, training programs, and mentorship. Their efforts helped me refine my skills and gain the confidence needed to step into the corporate world.

Nurtured with Knowledge, Prepared for the Future

I am Shruti Mishra, a proud B.Tech graduate of MPGI. My journey at the college has been truly transformative, enabling me to develop strong technical expertise, problem-solving abilities, and an innovative mindset. MPGI provided me with a dynamic learning environment where I could strengthen my core engineering concepts along with practical exposure through projects, workshops and hands-on training.

The curriculum and academic support helped me enhance my analytical thinking, coding skills, and ability to tackle real-world challenges. The faculty members were always approachable and played a vital role in guiding me throughout my academic journey.

 **Clarity**

Turning Potential into Professional Excellence

My technical growth was systematically shaped through the focused initiatives of MPGI's Training & Placement Cell. I began by reinforcing my programming fundamentals and analytical thinking, learning how to deconstruct complex problems and implement efficient solutions. Over time, this foundation evolved into hands-on exposure to contemporary technologies, application development practices, and database-driven systems, enabling me to bridge the gap between classroom concepts and real-world engineering challenges. A defining aspect of my preparation was the institute's strong industry-aligned training approach. Simulated interview sessions prepared me to navigate competitive recruitment processes with clarity and confidence.

Guided Learning. Strong Fundamentals. Real Results

My journey at MPGI has been one of steady learning and purposeful growth. The academic structure, along with opportunities such as SIH participation, college-led technical training and DSA-focused placement classes, helped me build a strong foundation in Computer Science. The Training & Placement Department played an important role through soft-skills development, mock interviews, and career-readiness programs, strengthening my confidence and professional approach. Through hands-on projects, leadership with TECH-E-CLAN, and industry exposure during my Accenture internship, I gradually moved from learning concepts to applying them in real-world settings.

Equipped with Skills, Confidence and Clarity

I am Anamika Tiwari, a proud B.Tech graduate from MPGI. My journey at the college has been incredibly rewarding, especially in building a strong technical foundation and sharpening my problem-solving abilities. MPGI provided me with excellent technical support and facilities that helped me grow as an engineer.

The well-equipped labs, hands-on training sessions, and project-based learning approach allowed me to gain in-depth practical knowledge. I was able to strengthen my programming skills, analytical thinking, and understanding of real-world applications through continuous practice and guidance.

The faculty members were highly supportive and always encouraged me to explore new technologies, work on innovative projects, and enhance my technical expertise. Their mentorship played a crucial role in helping me stay focused and industry-ready.

An Institution that Builds Careers, not Just Degrees

I am Kavya Shukla, a proud B.Tech graduate from MPGI, and my journey here has been nothing short of transformative. It has been a place where my curiosity for technology was nurtured and turned into a strong professional skill set.

MPGI offered me an environment rich in technical resources and opportunities. From advanced labs to hands-on project work, every experience pushed me to think deeper, code better, and solve problems more efficiently.

The constant exposure to practical learning helped me build a solid foundation in programming, analytical thinking, and real-world application development. What truly made a difference was the unwavering support from the faculty, who continuously motivated me to explore beyond the curriculum and challenge my own limits. MPGI. I am deeply thankful to MPGI for empowering me with the knowledge, confidence, and opportunities to turn my aspirations into reality.

Learning, Evolving & Succeeding the MPGI Way

My professional growth was strongly shaped by MPGI's Training & Placement Cell. I started by building a strong foundation in Data Structures, Algorithms, and problem solving, which helped me think logically and approach challenges in a structured way. Alongside development, I gained a strong interest in software testing and quality assurance.

With the help of structured training, I learned automation testing and with regular mock interviews, assessments, and continuous feedback from the Placement team, I was able to crack my interview and get offered a package of 12.6 LPA at Salescode.ai.

I am extremely grateful to have secured a placement as a Software Test Engineer, which reflects the strong learning ecosystem at MPGI.

A TOUR OF
MPGI
THE
WHOLE
YEAR

Placement Day 2025

The Placement Day ceremony celebrated in May 2025 was a resounding success, as our talented students shone bright, securing coveted positions in top organizations. It was a testament to their hard work, dedication, and MPGI's commitment to nurturing talent.

TEDx @ MPGI

Maharana Pratap Engineering College hosted TEDx Talks at Mandhana Campus on 14th March 2026. We had an extraordinary lineup of 15 distinguished speakers hailing from diverse industries-education, tech, entrepreneurship and beyond. Under the powerful theme "Leadership in the Age of Disruption," these visionaries shared riveting insights on navigating chaos and steering through unprecedented challenges.

Mr. **GAURAV** Bhadauria

Bhopal

Dr. **DEBJANI** Roy
Chief Human Resources Officer
Valeur Fabtex Pvt. Ltd.

Ms. **SONIKA** Kapoor
Sales Leader, Atlassian

Ms. **ANUSHRI** Dubey
Founder & Creative Director
ALCOVE

Ms. **AARATRIKA** Surana
Athlete / Philanthropist

Mr. **RISHI** Kandari
Ecommerce Marketplace
Expert, educator & author

Mr. **RAHUL** Sehgal
Head of New Business
Sales Navigator, LinkedIn India

International Conference 2026

Maharana Pratap College of Pharmacy, Kanpur, hosted our 3rd International Conference on "Empowering Healthcare with Novel Drug Discoveries including AI Approaches" on 17th and 18th January 2026, bringing together a distinguished gathering of policymakers, regulatory leaders, academicians, industry professionals, and international experts from the pharmaceutical sector. The conference was graced by Dr. G. N. Singh Sir, Advisor to the Hon'ble Chief Minister, Uttar Pradesh, and Former Drug Controller General of India (DCGI), Government of India.

International Conference 2025

MPGI hosted our 2nd International Conference on "Recent Advances in Pharmaceutical Sciences" on February 1st and 2nd, 2025, at Maharana Pratap College of Pharmacy, Kanpur. This hybrid event featured esteemed professionals from academia and industry who shared insights into the latest developments in pharmaceutical sciences.

HR Conclave 2026

It was a great honour to host a 3-day HR fest, Synapse HR, at MPGI Maharana Pratap Group of Institutions, Kothi, Mandhana, Kanpur. The event witnessed the convergence of esteemed guests and industry leaders, who deliberated on the pivotal theme of 'Transforming Talent: The Future of Work, Workforce & Workplace'. Synapse HR, organised a range of competitions, attracting over 200 registrations from Management, Computer Application, and BTech students. Around 90 students participated in events like HR Quiz, Case Study (theoretical and video), Debate Competition, and Role Play (Spotlight).

HR Conclave 2025

We had an incredible time at the HR Conclave 2025 organized by the Department of Training and Placement at MPGI. The conclave revolved around the dynamic landscape of Fintech, shedding light on the essential skills crucial for staying relevant in this rapidly evolving environment. The event was a booming success bringing together eminent HR leaders as keynote speakers followed by panel discussion.

Sales & Marketing Conclave 2025

MPGI Presents held Sales & Marketing S&M Conclave – Future Trends in Sales & Marketing: What Lies Ahead? We convened a symposium of visionary thought leaders and industry stalwarts to deliberate on the future trajectory of sales and marketing. Our distinguished keynote speakers & panelists included Shruti Shukla, Global Insights Expert, Big 3 Consulting, Saud Usmani, Head HR, Fever FM, Samreen Jamal, Ex VP Strategy, Reliance Nippon, Rajat Arora, Leading Ecommerce, Qubo, Hero Electronix and many more.

Start up Conclave 2025

MPGI organised a Startup Conclave "Transformation of dreams into reality", coordinated by T&P department, wherein four entrepreneurs were invited to share their experiences and motivate our students. The program hosted dignitaries as Dr. Ashish Agarwal, Co-founder of Weather Risk Management & Services, Dr. Sandip patil, Director of E-Nanospin Pvt. Ltd, Mr. Mukesh Singh, Co-founder of IAITO Pvt. Ltd and Mr. Ashutosh Mishra, Co-founder of IPM Careers.

Brilliant Industry Integration

IIT KANPUR

Electronics and ICT Academy, IIT Kanpur and Maharana Pratap Engineering College (MPEC) have signed an MoU on 18th June 2019 at IIT Kanpur premises. The MoU was signed by Dr S Ganesh, Dean, R & D, IIT Kanpur and Mr. Gaurav Bhadouria, Joint Secretary, Maharana Pratap Group of Institutions.

IIT KANPUR

MoU signed between Start-up Innovation & Incubation Centre, (SIIC), IIT Kanpur and MPGI for collaborative partnership to establish an incubation centre at MPGI for promoting research and development.

IIT MADRAS

This collaboration marks a significant achievement for MPEC Kanpur, strengthening our role in advancing industry-aligned, employability-driven digital learning. By collaborating with IIT Madras and SWAYAM Plus

IBM

MPGI signed an MoU with IBM, India to help our students deal with the rapid technological change which comes with the VUCA world. IBM has proven its mettle in the area of innovation, technology and its training, adapting numerous changes in technology since 1911. We collaborated for Btech students in the areas of Artificial Intelligence, Machine Learning, Big Data and Data Analytics, Data Science, Blockchain, Internet of Things, Cyber Security and Full Sstack Developer

NPTEL

NPTEL (NATIONAL PROGRAMME ON TECHNOLOGY ENHANCED LEARNING), project funded by MHRD Govt. of India, under the aegis of nationwide IIT's, recognizes MAHARANA PRATAP ENGINEERING COLLEGE as a valuable NPTEL local chapter with a rating of "AA" based on performance in NPTEL Online Certification Courses.

MARKSANS

MPGI has signed an MoU with Markson Pharmaceuticals, Goa—an industry-leading pharmaceutical company with strong national and international regulatory approvals, including WHO-GMP, ISO certifications, and other quality compliances. Under this MoU, a state-of-the-art Centre of Excellence (CoE) Laboratory will be established at MPCP Kanpur. The initiative aims to enhance technical skills, provide hands-on industrial training, and strengthen the industry-academia partnership.

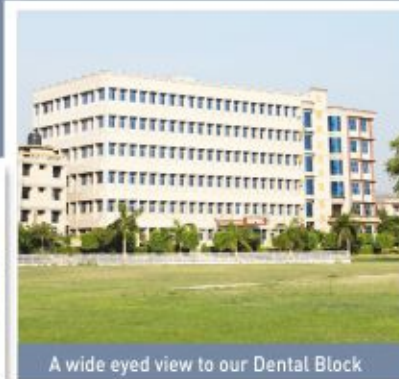

Infrastructure and Amenities

- College campus
- Numerous Boys & Girls Hostel
- Hosteller's Mess
- Wide array of Cafeteria choices
- Jogger's Park
- Basketball, Volleyball and Badminton courts

- Recreation Rooms for indoor sports
- Cricket Stadium
- Two Auditoriums
- Seven Libraries with over 70,000 books
- Two Banks
- Campus Hospital
- Transport Facility Available
- Diligent Security Team always on the standby
